)	

The parties respectfully request that the restitution hearing scheduled for September 5, 2017 be continued to October 24, 2017. The reason for the continuance is to provide additional time to defense counsel to respond to the government's August 30, 2017 filing. In the filing, the government explained that it had changed its position regarding the inclusion of Tesla (the victim corporation's) attorney's fees in the restitution order and provided additional information about Tesla's employee costs. Defense counsel needs to evaluate the information and respond. The government has notified Tesla's counsel about the continuance.
